

## **FY21 Treatment Services Solicitation Question and Answers**

**Contract 1082-2021-0410**

**Last updated: July 1, 2020**

**Question:** On page 52, in Section 4 under Proposal Submission it states: "Note: The offeror is not required to submit solicitation sections C,D,E,F,G,H, and I as a part of its proposal." Is this in reference to Attachment C and D that are referenced on page 53?

**Answer:** Our RFP is made of up sections A thru M. The section noted in the question is referring to the section C (DESCRIPTION/SPECS./WORK STATEMENT) and section D (PACKAGING AND MARKING). In order for a proposal to be technically acceptable one of the criteria is to return Attachments C and D. Please note Attachment C and D are different than sections C and D.
